[Cheras, Selangor, Malaysia](#)

PROFILE

Passionate and driven IT student with a strong curiosity for problem-solving and cybersecurity. Always eager to learn, I balance my formal studies with hands-on self-learning in Python, Linux, and IT fundamentals. I thrive in dynamic environments, love tackling technical challenges, and am always looking for ways to improve systems and security. Excited to grow, adapt, and contribute to a team where I can apply my skills while continuously learning from real-world experiences.

EDUCATION

Bachelor's in Information Technology
ALFA University College, Subang Jaya, Selangor, Malaysia
